### **Tuesday After-School Spring Classes, April 1 – May 13:**

#### **Introduction to Sculpture: A 3D Journey Through Art History for Kids!**

**Grades K-5. Up to 24 students.**

**Sherri Cripe, former art teacher at Hillcrest (now Delphi Elementary School).**

Embark on a creative journey in Introduction to Sculpture! In this hands-on class young artists will explore the exciting world of three-dimensional art by creating their own sculptures and learning about legendary sculptors like Degas, Calder, Giacometti, and Picasso. Perfect for budding creators, this class combines art history and fun, sparking imagination and teaching foundational sculpting techniques! All supplies provided.

#### **Sculpting!**

**Grades 6-12. Up to 24 students.**

**Daniel Bradford, Delphi High School art teacher.**

This season, we will be learning how to sculpt with polymer clay! Sculpting is far easier than you think and together we will explore the ins and outs of sculpting and how you can turn a little clump of clay into a beautiful masterpiece. All supplies provided.

#### **Tap Dancing for beginners *and* more experienced dancers**

**Grades K-12. Up to 24 students**

**Becky Floyd, CEO, and Jaelyn Ferguson, dance instructor, Dance Dynamics of Lafayette.**

Beginning students will learn tap basics, musicality, and rhythm. Students with previous tap experience will learn more advanced dance steps. Tap shoes will be provided. Please specify the size needed on your registration form.

**The Delphi Opera House Art Enrichment Program for Youth was made possible by a generous grant from the Carroll County Community Foundation.**
