Classes are FREE for all ages and grades K-12!! Free transportation will be available from Delphi and Carroll schools. Find more information and the link to register at www.delphioperahouse.org. Registration will open at 5 p.m. on August 10 and end August 21 or when classes are full. Direct link to registration form.

Tuesday After-School Fall Classes, September 1 – October 13:

Monet's Magic: The Art of Impressionism

Grades K-5. Up to 24 students.

Sherri Cripe, retired art teacher who taught at Hillcrest (now Delphi Elementary School) for 17 years and loves inspiring young artists to explore creativity through art history and hands-on learning.

Step into the colorful world of Claude Monet! Young artists will discover how one of history's most famous painters used light, color, and quick brushstrokes to capture beautiful moments in nature. Throughout this hands-on class, students will experiment with a variety of art materials while creating their own Impressionist-inspired masterpieces. All supplies provided. This class will meet 4 – 5 p.m.

Figure Drawing

Grades 6-12. Up to 15 students.

Daniel Bradford, Delphi High School Art Teacher.

Learn how to draw the human figure and all of its challenges from proportions to foreshortening and dynamic poses. Utilizing safe references, you will develop observational skills that will take your drawings from basic to energetic in no time. All supplies provided. This class will meet 4 – 5 p.m.

Fun with Choir!

Grades 6-12. Up to 30 students.

Debbie Glenn, Director of the Delphi community "Crescendo Choir."

Singing with friends should be fun! We will learn 3 – 4 fun, upbeat songs with great harmonies and rhythms that might need a little choreography to go with it! There will be opportunities for students who want to do a solo or sing something with a small group of friends. We invite students in grades 6 – 12 who can "carry a tune" and want experience singing harmonies. You will learn alongside some experienced singers to help you sing with more confidence. This class will meet 3:45 – 5:15 p.m.
